Come see for yourself all that is Magnolia!!!

Sept 30: Cruise through America's heartland from Eau Claire to the Drury Inn in Kansas City. Lots of fun on the bus make miles slip away.. We'll enjoy the hot hors d' oeuvres and a cocktail reception this evening.

Oct. 1: Breakfast is served before we leave the hotel this morning. We travel through Kansas and Oklahoma before picking up our air passengers in Dallas (DAL) at Love Field. Our group continues on to Waco and our comfortable rooms at the Hampton Inn.

Oct. 2: Magnolia Market, here we come! See the Silos, gardens and the Silo's Baking Company where the amazing pastries will be calling our names. We'll see the treasures (yes, they're for sale!) collected by Chip and Joanna. Later we can feel the Waco vibe on an awesome city tour and see some of the homes that the Gaines' have worked on. (Hampton Inn)

Oct. 3: The Magnolia Table (Chip's brainstorm), is where you may choose to have a 2nd breakfast. Pick something vintage to take home from the Cedar Chest Antiques Mall, a favorite of Joanna's. In McGregor, we'll see the Magnolia House B&B and go on to Jimmy Don's Iron Design Shop. Many of his signs are featured on *Fixer Upper*. (Hampton Inn)

Oct. 4: After breakfast, we tour the Dr. Pepper Museum. The historic building is home to a three story bottling plant where we hear the history and taste this bubbly drink. Next is Spice Village with over 60 fun shops in a 100-year-old warehouse. Enjoy demonstrations of woodworking, pottery, fabric crafts and much more at the Homestead Craft Village. After dropping our air passengers in Dallas, we continue on to overnight lodging in Frisco, TX. (Drury Inn)

Oct. 5: Our travels begin again after another great breakfast. Nurture your soul by reading your favorite novel or enjoy a movie with us. The scenery never fails to entertain as we drive to Kansas City, and the Drury Inn, where, once again, we enjoy the reception.

Oct. 6: After breakfast, we're on our way home. Whether you're an avid follower of *Fixer Upper* or someone enjoying the camaraderie of a girls' trip, you'll look forward to sharing memories with your family when we arrive back in Eau Claire.
